

# I Got U

Blake Lewis

Four in the morning, heart on my sleeve  
In your eyes, possibilities  
I confess this is new to me  
But maybe this is love I got to know that this thing is real  
That your feeling's just what I feel  
No more room in this heart to steal  
You know it's hard enough In the morning, when I wake up  
You're the first thing that I think of  
And I can make it through anything  
Knowing that I've got u In the morning, when I wake up  
Nothing else can take the place of you  
And I know this sounds crazy But I don't know where this is  
I don't know what I'm in  
I can't see down the road  
But it don't matter long as I got u This life could get too hard  
There's so much that I can lose  
But it don't matter long as I got u  
Long as I got u Heart beats so fast I just can't keep up  
You pull on me like a drug  
I'll never go cold  
'Cause I don't wanna give you up Some people search their whole life  
To find what I found now  
I'm out of time, gotta tell you what's on my mind  
And pray that it's enough In the morning, when I wake up  
You're the first thing that I think of  
And I can make it through anything  
Knowing that I've got u In the morning, when I wake up  
Nothing else can take the place of you  
And I know this sounds crazy But I don't know where this is  
I don't know what I'm in  
I can't see down the road  
But it don't matter long as I got u This life could get too hard  
There's so much that I can lose  
But it don't matter long as I got u  
Long as I got u Think about it  
We fit like a puzzle, no missing pieces  
Never doubt it  
I'm writing a story you know [Incomprehensible]  
Look around it It's happening

Natural as can be  
Since I found it  
I'm not gonna let it go, let it go I don't know where this is  
I don't know what I'm in  
I can't see down the road  
But it don't matter long as I got u This life could get too hard  
There's so much that I can lose  
But it don't matter long as I got u I don't know where this is  
I don't know what I'm in  
I can't see down the road  
But it don't matter long as I got u This life could get too hard  
There's so much that I can lose  
But it don't matter long as I got u  
Long as I got u  
As long as I got u now
