

Gone

Mikal Cronin

It's in a lockup underground
There's a problem with the way I go about it
Not today cause it's gone And it's depressing

I'm alright

It's just another thing to find

Four in the morning

I'm so tired

It's hard to motivate myself when it's gone

Been so long

And it's gone

Been so long

And I try, yeah, I try

To hold on It's on a mountain

High above the place I live in

And I found

It's hard to get up where you're down

Give up before I even try

Cause I'm gone Been so long

And it's gone

Been so long

And I try, yeah, I try

To hold on

I don't know what to do when I'm stuck in my head like this

It's the way that I deal with things that'll bring me down I go up till I'm high

Then I bring myself back home

And it's gone
