Puss in Boots

Wheeler Walker Jr.

All those LA west coast silicone women
Really think theyâ€™re really hot.
But itâ€™s no fun titty fuckin titties
When the titties are hard as rocks
And up in New York City
All them up town biddies
Like to shave their cooch
But I prefer a little fur on my burger
If ya want me to tell the truth
(Chorus)
I like my pussy in boots
A girl that knows how to honky tonk
Hums along to a Wayland tune
While sheâ€™s humming on my cock and balls
I want a girl in a cowboy hat
Tongue knows where my buttholes at
Bush pokinâ€™ out her daisy dukes
I like my pussy in bootsâ€¦boots
Yeah,
Well the girls in Chicago
They can spit they can swallow
When theyâ€™re on their knees
But itâ€™s hard to stay hard
When youâ€™re fuckin in a car
And its four degrees
All the girls in Milwaukee
Want to slob on my cocky
But I had to pass
Cause I only get wood
When my dick is up
A good ole southern ass
(Chorus)
I like my pussy in boots
A girl that knows how to honky tonk
Hums along to a Willie tune
While sheâ€™s humming on my cock and balls
I want a girl in a cowboy hat
Tongue knows where my buttholes at
Bush pokinâ€™ out her daisy dukes

I like my pussy in bootsâ€¦boots
Donâ€™t have no high heels on
When youâ€™re slidin up and down my dong
And keep your fuckin flip flops
And your burkenstocks
And wait for my hilly billy cock
(Chorus)
I like my pussy in boots
A girl that knows how to honky tonk
Hums along to a Willard tune
While sheâ€™s humming on my cock and balls
I want a girl in a cowboy hat
Tongue knows where my buttholes at
Bush pokinâ€™ out her daisy dukes
I like my pussy in bootsâ€¦bootsâ€¦â€¦boots
