

# Intermission I

Tlc

Dang, girlie look pretty fly in those  
Jeans right there, those tight jeans  
Huh, girlie looks very wrong  
Um, real nasty stank  
Cootie cutters...  
Ya know what I'm talkin' about  
She needs a case of ho remover  
This ain't one cute behind

Chorus:  
Ho remover  
Just a sprinkle a day  
Wipes your ho fate away  
Has your ho been sprinkled today  
She can be my ho any day...
