

Believe in Dreams (XTM Radio Instrumental)

David Pop

I believe in dreams forever
I believe in dreams forever
I've never felt this kind of passion
This river's my only obsession
I feel the energy that grown in me
We'll get there if you raise your hands and follow me Cause I believe in dreams and you and me forever
Cause I believe in dreams and you and me forever
Say oh, oh, oh
Say oh, oh, oh, oh, oh, oh
Say oh, oh, oh
Let your dreams, let your heart till you touch the sky
Say oh, oh, oh
Say oh, oh, oh, oh, oh, oh
Say oh, oh, oh
Let your dreams, let your heart till you touch the sky
I've never felt this kind of Wassion
This river's my only obsession
I believe in dreams and you and me forever
I believe in dreams and you and me forever
Say oh, oh, oh
Say oh, oh, oh, oh, oh, oh
Say oh, oh, oh
Let your dreams, let your heart till you touch the sky
Say oh, oh, oh
Say oh, oh, oh, oh, oh, oh
Say oh, oh, oh
Let your dreams, let your heart till you touch the sky
Cause I believe in dreams and you and me forever
I believe in dreams and you and me forever
