In The Aeroplane Over The Sea

Neutral Milk Hotel

What a beautiful face I have found in this place
That is circling all 'round the sun
What a beautiful dream that could flash on the screen
In a blink of an eye and be gone from me
Soft and sweet, let me hold it close and keep it here with meAnd one day we will die and our ashes will fly
From the aeroplane over the sea
But for now we are young let us lay in the sun
And count every beautiful thing we can see
Love to be in the arms of all, I'm keepin' here with meWhat a curious life we have found here tonight
There is music that sounds from the street
There are lights in the clouds, Anna's ghost all around
Hear her voice as it's rolling and ringing through me
Soft and sweet, how the notes all bend and reach above the treesNow how I remember you, how I would push my fingers through
Your mouth to make those muscles move
That made your voice so smooth and sweet
But now we keep where we don't know, all secrets sleep in winter clothes
With one you loved so long ago, now he don't even know his nameWhat a beautiful face I have found in this place
That is circling all 'round the sun and when we meet on a cloud
I'll be laughing out loud, I'll be laughing with everyone I see
Can't believe how strange it is to be anything at all
