

Churchill

[Jeff Hutchins](#)

I saw Churchill on the Thames
It reminded me of all the times back when
I was lonely, I was young,
But tomorrow poor old Churchillâ€™s being hung.

I saw Nasser on the Nile,
And I suddenly just sorta had to smile
I was frightened, he was not,
But tomorrow poor old Nasserâ€™s being shot.

I saw DeGaulle on the Seine
And I knew right off that he would be my friend
There was so much that I learned,
But tomorrow poor old DeGaulleâ€™s being burned.

I saw Stalin on the Don
And it looked like he was tryinâ€™ to wave me on
I could not wait to get past,
But tomorrow poor old Stalinâ€™s being gassed.

I see Dubya up the river
I remember all the nights that I would shiver,
And I donâ€™t want to seem rude,
But tomorrow poor old Dubyaâ€™s being _____.
