Panic Attack!

Macatier

White middle class
We learn so fast
Haunting like a ghost with bad intentions

I know we seem obvious friends
Staying up all night talking about The Bends

I donâ€™t want to leave this house

Thereâ€™s nothing around here
Iâ€™m wasting all my time
Always looking for something
I cant focus my mind
Life goes by so fast
And I still canâ€™t talk about it

We never earn
They pay us to learn
When we have late nights in city centres
Sleep in the day, work all night
Lets move in together and live for perfect weather

Lets never leave this town

Thereâ€™s nothing around here
Iâ€™m wasting all my time
Always looking for something
I canâ€™t focus my mind
Life goes by so fast
And I still canâ€™t talk about it

Six months have passed
One year has passed
Two years have passed
Three years have passed
Four years have passed
Five years have passed
And I still canâ€™t talk about it

(Thereâ€™s nothing around here

Iâ€™m wasting all my time
Always looking for something
I canâ€™t focus my mind
Life goes by so fast
And I still canâ€™t talk about it)
