Mr. Spaceman

Jimmy Buffet, The Great Gonzo, And Rizzo The Rat

Woke up this morning with light in my eyes
And then realized it was still dark outside
It was a light coming down from the sky
I don't know who or why
Must be those strangers that come every night
Those saucer shaped lights put people uptight
Leave blue green footprints that glow in the dark
I hope they get home alright
Hey, Mr. Spaceman
Won't you please take me along
I won't do anything wrong
Hey, Mr. Spaceman
Won't you please take me along for a ride
Woke up this morning, I was feeling quite weird
Had flies in my beard, my toothpaste was smeared
Over my window, they'd written my name
Said, "So long, we'll see you again"
Hey, Mr. Spaceman
Won't you please take me along
I won't do anything wrong
Hey, Mr. Spaceman
Won't you please take me along for a ride
Hey, Mr. Spaceman
Won't you please take me along
I won't do anything wrong
Hey, Mr. Spaceman
Won't you please take me along for a ride
