3 Years

Neve

All this time I was by her side
I always felt this close far away
We would ask the questions that lead to no reply
With 3 minutes more what would I say?CHORUS:
Go
I know
Come home
Don't waste the last 3 yearsShe whispered on about those empty times
Yeah I would fill them if I could
She would dream right before me
And hold me up so high
I need to find a way to go back into timeI'm always running out of space
Yet always looking in your face
There's nothing left that you or I could choose
It goes on and onREPEAT CHORUSAnd I would walk away with someone else
Like I don't know you
'Cause in such different ways
We'll save these last 3 yearsGo
I know
Come home
We'll save these last 3 years
