Diamonds & Guns

Transplants

Bombs going off in Sierra Leone
Taken more shots than Karl Malone
Battle looms, your doom, injustice entombed
Who got the diamonds? Who gonna find them?
Who gonna mine them when the time comes?
Diamonds and guns, diamonds and gunsIt's a wicked world that we live in
It's cruel and unforgiving
It's a wicked world that we live in
It's cruel and unforgivingKnock, knock, knock, who's that? It's momma, son
Lookin' for the bitch who took the money and run
Now the daylight's gone and there's no more fun
And who's the fuckin' bitch who stole all the heroin?Heroin, heroin, it's all gone
Smoked it all up, and now you got none
And now you look around and that's not the plan
This is not what you had in mindI shot in heaven, now I cry
No one lives forever, in fact we all die
From those who bust shots to those who stuff cops
To those who serve rocks on all the hard blocksEvery last soul must pay the last toll
In the dice game of life, who gets the last roll?
Is it the one with the suit? The one with the sack?
The one who hides behind his fuckin' gun and his badge?Negative outlook?
Well that's how I'm livin'
And like he said, it's a wicked world we live in
It's a wicked world we live inI'm wiggin out, flippin' out, heart is what I'm rippin' out
I'm slippin' out, I'm dippin' out, killin's what I'm livin' out
Victim, let me pick 'em out, spin and let me whip it out
Gat to your face with the fuckin' bullets stickin' outMissin' out, diss and bout, blood's what you're pissin' out
84, I'm Crazy Horse, shootin' up, I'm illin' out
Rippin' out, I'm trippin' out, different now, I'm pimpin' out
Any color at my belt and ouch while they're clippin' outCriminal I'm hittin' out, in L.A. no gettin' out
2 1 3, pack your P, fly wicked style
Listen now, I'm sinnin' out
A 6-pack I'm sippin' outIt's a wicked world that we live in
It's cruel and unforgiving
It's a wicked world that we live in
It's cruel and unforgivingYo, representin' O-town
