Nikes Fresh Out The Box

Mario

Ain't nothing like
A pair of fresh all white air force ones
And I said to myself, "I got to have"
Got to have her like Nikes fresh out the box
Everybody want to know her name
It's like she walked right out a dream, a fantasy unreal
Dear God sent me an angel
She's like no one I ever seen, no one I ever met
Someone I'll never forget
Looking at her is good for my health
She got me singing to myself
I see her, I want her
Got to have her like
(Nikes fresh out the box)
I'm fining, day dreaming
Got to have her like
(Nikes fresh out the box)
I won't scuff her up, I'll lace her up right
Treat her real good like a pair of fresh white hi top or low tops
I got to have them white Nikes fresh out the box
Ay yay ay yay
(Ay yay ay yay)
Ay yay ay yay
(Ay yay ay yay)
Ay yay ay yay ay yay
(Ay yay ay yay ay yay)
Ay yay ay yay ay yay
(Ay yay ay yay ay yay)
I really don't want to waste time
Trying to hook up with a dime
Because I'm checkin' out a dollar
That's making me want to holla
She's like no one I ever seen, no one I ever met
Someone I'll never forget
Looking at her is good for my health
She got me singing to my self
I see her, I want her
Got to have her like
(Nikes fresh out the box)

I'm fining, day dreaming
Got to have her like
(Nikes fresh out the box)
I won't scuff her up, I'll lace her up right

Treat her real good like a pair of fresh white hi top or low tops
I got to have the white Nikes fresh out the box
I got to have the
(Nikes fresh out the box)
Ain't nothing like seeing a new pair of kicks
(Ain't nothing like seeing those jeans on her hips)
Ain't no feeling once you got 'em on
(Ain't not feeling like it when her on the phone)
Oh when you
(When your the first one to have 'em)
Everybody want to know where did you get 'em.
(Next question is do they have my size)
No disrespect to my guys, but all I know is
I see her, I want her
Got to have her like
(Nikes fresh out the box)
I'm fining, day dreaming
Got to have her like
(Nikes fresh out the box)
I wont scuff her up, I'll lace her up right
Treat her real good like a pair of fresh white hi top or low tops
I got to have the white Nikes fresh out the box
So the next time, you see a girl that reminds you of pair of J's
And you want to get her attention this is what you got to say
Ay yay ay yay
(Ay yay ay yay)
Ay yay ay yay
(Ay yay ay yay)
Ay yay ay yay ay yay
(Ay yay ay yay ay yay)
Ay yay ay yay ay yay
(Ay yay ay yay ay yay)
Nikes fresh out the box, I see her, I want her
Got to have her like
(Nikes fresh out the box)
I'm fining, day dreaming
Got to have her like
(Nikes fresh out the box)
I wont scuff her up, I'll lace her up right
Treat her real good like a pair of fresh white hi top or low tops

I got to have the white Nikes fresh out the box
