

This Is Like (feat. Robin Thicke)

Tyga

All white linen
Riding till the sun comes down
See that we living like woah-oh-oh...

(Robin Thicke)

This is like riding through the city
With the ocean in the background
This is like flying in Paris
What your girl say now
Party down...

(Tyga)

Uhh, B-side, baby parlay
Waterfront top back, coupe with a fade
Tonight is ours, paper city, red ruby
You looking fine, as beautiful as one could ever be
Tires spinning, fast cars, fast women
And I just wanna get a night with a happy ending
The yacht life, hear the splash, so much class
Lift your glass, make a toast, we around the map
His and hers, her man's bags, left the tag
All real love shit, with a scrub
Chillin on top, get away, just a flight
Living life, this is what it's like...

(Robin Thicke)

This is like riding through the city
With the ocean in the background
This is like flying in Paris
What your girl say now
Party down... (2x)

(Tyga)

Uhh, she's so relentless, body of a Goddess
Gotta take her higher
Rain through my window pane, she the fire to my flame
Good aim, put your heart where the sky is
It's cold down there but it's lonely up here
The world's so cold you gonna need a moncler
Don't mind stare, when I look at you it's all clear

Tryna keep it together and ball like Ross Dean
4-Seas, car clean, Harley
Iâ€™m from the gold-era, my jewels is Gili
A party ainâ€™t a party if it ainâ€™t all night
Living life, this is what itâ€™s like...

(Robin Thicke)

This is like riding through the city
With the ocean in the background
This is like flying in Paris
What your girl say now
Party down... (2x)

(Robin Thicke)

Like dolphin like youâ€™ve never seen before
Yea this is like a penthouse, served at the top floor
This is like love, that you can never get
And nobody can, woah-oh-oh
This is like woah
This is like woah
This is like woah
This is like...

(Tyga)

All John Blaze, collar shirts, school days
On stage, a hundred thou, two days
Looking down on top from where the stars stay
Reservoir and back guards in the entry way
Iâ€™m young and wild and I charm our old mother
Invited your young daughter, Iâ€™m known across waters
Horses in the stable, Ferrari â€™cause Iâ€™m able
Whole life Iâ€™ve been waiting...

(Robin Thicke)

This is like riding through the city
With the ocean in the background
This is like flying in Paris
What your girl say now
Party down... (2x)

(Robin Thicke)

This is like riding
This is like flying
This is like love...
