

Heavy (feat. Adam Levine) [Remix] - Radio Edit

[PJ Morton](#)

It's getting heavy, heavy on me
It's getting heavy, heavy on me
So can you help me , yeah
'Cause it's getting heavy on me
Don't wanna struggle no more
It's lasted longer than I thought
I'm one that's always for the drive
But it's just taking to much time
I'm one that's always for the drive
But it's just taking to much time
So can you help me with the load
'Cause I'm breaking right down to the floorIt's getting heavy, heavy on me
It's getting heavy, heavy on me
So can you help me , yeah
'Cause it's getting heavy on meI thought I had it figured out
Thought I'd knew what life was about
But it's starting to mess with my mind
I can't tell my left from my right
Somebody calling me my guy
Don't work it have to run and hide
'Cause I'm too strongIt's getting heavy, heavy on me
It's getting heavy, heavy on me
So can you help me , yeah
'Cause it's getting heavy on me
