

'Til Tomorrow

Marvin Gaye

Baby, baby, baby, baby, please don't go
Oh, darling, don't you know I still love you so
Honey, honey, honey, honey, you know I still care
And I still got lots of love to share Ah, you for me, me for you
Ah, baby, we'll be going through
Love so deeply, 'til tomorrow You have stolen my mind completely
Have a heart hey, hey, hey, hey
Hold me sweetly now, 'til tomorrow Baby, baby, baby, please girl don't go, ooh
Don't you know I still love you so
Honey, if you leave me I'll go crazy
I'll still care, oh, you know I still care for you 'Til tomorrow comes girl, I love you, baby
Oh, baby, baby, baby, yeah, oh, baby
Baby yeah, oh darling, oh, oh, baby
Oh, baby, ooh, oh, oh my darling, oh baby, yeah Oh, if you have to go I won't say no
I'll just shed a tear when you're gone
And wish you were here
