Wish List

Sky Blu

I've had a fire burnin'
Since the holidays began
I hear it's cold out where you're livin'
But any colder than I've been?I've been an animal since you left me
I need you wrapped under my tree
My Christmas cheer is here and ready
But where are you to set it freeI sit alone
By the fire inside our home
Outside the snow is fallin'
And I'm singingWish as I may, wish as I might
Grant me this one small wish
On Christmas night'Cause I don't need candy
Or the toys from my youth
I just want you, oh, darlin'
I just want youI've had a candle burnin'
Hopin' you'll come back to me
I think this may be more than anything
Mr.Santa Claus can bringI was adorable when you met me
I'm on the naughty list this year
A lump of coal won't do it justice
It's all the loneliness I fearI sit alone
By the gifts in our own home
You're not a single one
And now I'm singingWish as I may, wish as I might
Grant me this one small wish
On Christmas night'Cause I don't need candy
Or the toys from my youth
I just want you oh darlin'
I just want youI'm not the Grinch
I'm not Mr. Scrooge
My heart just needs your lightOnly thing I'm doin' is cryin'
In my room and singin'
I wish my baby would be with me tonightOh, oh, oh, oh, oh, oh, oh
Oh, I've been so lonelyWish as I may, wish as I might
Grant me this one small wish
On Christmas night'Cause I don't need candy
Or the toys from my youth
I just want you oh darlin'
I just want youOh, oh, oh

I just want you oh darlin'
I just want youOh, oh, oh
I just want you oh darlin'
I just want you
