Brand New (NOW What's Next!)

Ben Rector

I feel like new sunglasses, like a brand new pair of jeans
I feel like taking chances, I feel a lot like seventeenI feel like windows rolled down, new city, streets and cabs
I feel like anything can happen, laughing,
You take me right back, when we were kids
Never thought I'd feel like thisLike when I close my eyes and don't even care if anyone sees me dancing
Like I can fly, and don't even think of touching the ground
Like a heartbeat skip, like an open page
Like a one way trip on an aeroplane
It's the way that I feel when I'm with you, brand new
Brand newI feel like a young John Cusack, like making big mistakes
I feel like for the first time in a long time I am not afraid
I feel like a kid, never thought it'd feel like thisLike when I close my eyes and don't even care if anyone sees me dancing
Like I can fly, and don't even think of touching the ground
Like a heartbeat skip, like an open page
Like a one way trip on an aeroplane
It's the way that I feel when I'm with you, brand newTime will always try to make us fold
You remind me what I used to knowLike when I close my eyes and don't even care if anyone sees me dancing
Like I can fly, and don't even think of touching the ground
Like a heartbeat skip, like an open page
Like a one way trip on an aeroplane
It's the way that I feel when I'm with you, brand newBrand new, yeah, yeah, yeah
I feel
And I feel
And I feel brand new
I feel brand new
I feel brand new
