Don't Wait

Dashboard Confessional

The sky glows I see it shining when my eyes close I hear your warnings but we both know I'm gonna look at it againDon't wait, don't wait The road is now a sudden sea And suddenly, you're deep enough To lay your armor down To lay your armor down To lay your armor downWell you get one look I'll show you something that the knife took A bit too early for my own good Now let's not speak of it againDon't wait, don't wait The road is now a sudden sea And suddenly, you're deep enough To lay your armor down To lay your armor down To lay your armor downDon't wait, don't wait The lights will flash and fade away The days will pass you by Don't waitTo lay your armor down To lay your armor down
