

Speak Life

Joe Pace

VERSE 1

Have you ever been in a dry place?
Couldn't show in on your face,
And you cry inside, Lord tell my why,
The relationship now broken,
So many hurts unspoken,
And you're dying inside, Lord tell me why.
Night after night you pray,
So nothing seems to ever change;
Remember God's word is true,
He knows the plans he has for you,
By faith this is what you must do.

CHORUS

Just speak life to it,
Just speak life through it;
Knowing God's not a man, that he should lie.
Just hold on to it,
Just go on through it,
To every dry bone in your valley, just speak life.

VERSE 2

Whatever happened to your dream?
Struggled with your self esteem;
And you cry inside, Lord tell my why,
The situation always on your mind,
There's been no joy for quite some time;
And you're dying inside, Lord tell me why.
Night after night you pray,
Though nothing seems to ever change;
Remember God's word is true,
He knows the plans for you,
By faith this is what you must do,

Repeat Chorus

BRIDGE

You may not see it right now,
Still you must believe that somehow,
All: God will work it out.

Though your bones may seem dry,
You must now prophesy,
All: I shall live and not die.

Repeat Chorus twice

VAMP

Just speak life (2x)
