Wicked

Switchblade Symphony

Exit signs, burning red
Paying fines, move ahead
Oh, I am the wicked one
Decorate, so you pleaseStringing bells on your kneesOh, I am the wicked one
Never leave it alone
Moderate how it's shownI am the wicked one
Blind, blind
To the fence around your mind
Tied, tied
To the gate to be refined
Paper-thin and very fine
Grind, grind
Ride, ride
Through the windshield we all fly
