

Get Out of Your Lazy Bed

Matt Bianco

get up
get out of your lazy bed.
Before I count to three - step to it
baby.
She goes out every night 'till the morning light
And she sleeps aU. day. So
come on and get up
I won't say it again - I'll drag you out!
Get up
get up
get out of your lazy bed. . . .
I don't care anymore.
You can sleep on the floor
'cause I'm knocking you out.
So
come on and get up
I won't say it again - I'll drag you out!
Get up
get up
get out of your lazy bed.
Get up
get up
get out of your lazy bed.
Get up
get up
get out of your lazy bed. . . .
