

I'm in Love

The Fourmost

I've got something to tell you-I'm in love
I've been longing to tell you-I'm in love
You believe me when I tell you
I'm in love with you

You're not a kind of girl
you make me feel [cry]
you make me want to shout all around
yes, I'm telling all my friends-I'm in love
Every night I can't sleep, thinking of you
and every little thing that you do
yes, I'm telling all my friends-I'm in love, oh yeah
Sitting on the top of the world
I'm in love with a wonderful girl
yes, I've never felt so good before
if this is love, give me more, more, more...
