TLC

Joe Louis Walker

(intro)When your lonely,
And confused,
When the whole world seems hard on you.
Don't give up,
Don't give down,
Pick yourself, up off the ground.Well I know,
What you need,
You need some old fashioned TLC.
And I got it,
All night long,
Don't hesitate,
Baby, come on(Guitar Break)Late at night,
When you're blue,
And 4 walls are closing in on you,
SOS me, and I'll come,
I'll be there for you,
Seven nights for 1 on 1Well I know,
What you need,
You need some old fashioned TLC.
It's right here,
All You want,
Don't hesitate,
Baby, come on(Guitar break)(Bridge)
Well you can call me if you want to,
I'll be there
But if you call me, girl, I'll want to,
Be right there for you(Guitar break)If you hurt,
And your pray,
And you can't find any happiness,
Don't discourage,
Or despair,
Just send for me and I'll be right thereWell I know,
What you need,
You need some old fashioned TLC.
It's right here,
Waitin' on you,
Just come and get it,
All you got to do(Outro)
