

White Lie

Amber Run

I was 16 years old
When the sadness took hold
And it never went againI still feel it sometimes
When the weather's unkind
That my lover's lips are thinBut then I'd get out, tell myself the white lie
That my faith would make everything alright
That I'd walk on water like when I was youngerI'm a failure, I'm a disaster
And I don't want to be anything else
I'm a loner, I'm a loser
And I don't want to be anything else
? around me
? It comes in waves againYeah, I do what I'm told
Let the future unfold
As I'm thrown down the rabbit holeBut then I'd get out, tell myself the white lie
That my faith would make everything alright
That I'd walk on water like when I was youngerI'm a failure, I'm a disaster
And I don't want to be anything else
I'm a loner, I'm a loser
And I don't want to be anything elseDo you feel the same thing?
Do you feel the same thing?
I don't want to be like you
I don't want to be like you
I don't want to be anything else
I don't want to be like you
I don't want to be like you
I don't want to be anything elseI'm a failure, I'm a disaster
And I don't want to be anything else
