

# Trapped Under Ice

## Metallica

I don't know how to live through this hell  
Woken up, I'm still locked in this shell  
Frozen soul, frozen down to the core  
Break the ice, I can't take anymoreFreezing, can't move at all  
Screaming, can't hear my call  
I am dying to live, cry out  
I'm trapped under iceCrystallized, as I lay here and rest  
Eyes of glass stare directly at death  
From deep sleep I have broken away  
No one knows, no one hears what I sayFreezing, can't move at all  
Screaming, can't hear my call  
I am dying to live, cry out  
I'm trapped under iceScream from my soul  
Fate, mystified  
Hell, forever more  
Scream from my soul  
Fate, mystified  
Hell, forever moreNo release from my cryonic state  
What is this? I've been stricken by fate  
Wrapped up tight, cannot move, can't break free  
Hand of doom has a tight grip on meFreezing, can't move at all  
Screaming, can't hear my call  
I am dying to live, cry out  
I'm trapped under iceFreezing, can't move at all  
Screaming, can't hear my call  
I am dying to live, cry out  
I'm trapped under ice
