The Last Thing I Do

James Otto

I've been livin' on truck stop coffee, cigarettes and vitamin C
It's a wonder that the Devil ain't caught me
I guess he's tired of playin' hide 'n' seek
I've been drivin' like I'm struck by the lightin'
I think about you and I start to speed
I might as well be playin' with matches
In a truckload of gasoline
If it's the last thing I do
If it takes me from Tupelo to Timbuktu
If it's the last thing I do
I'm gonna dodge every roadblock, speed trap and county cop
To get my hands on you
If it's the last thing I do
Box of chicken and a day old biscuit
Ain't nothin' left but a few old bones
I ought to stop but I'm gonna risk it
Caffeine got me chewin' Styrofoam
Girl I'm callin' out of Kansas city
From a fillin' station telephone
Just had to tell you what I've been thinkin'
First thing I wanna do when I get home
If it's the last thing I do
If it takes me from Tupelo to Timbuktu
If it's the last thing I do
I'm gonna dodge every roadblock, speed trap and county cop
And get my hands on you
If it's the last thing I do
Yea, I've been drivin' like I'm struck by lightin'
I think about you and I start to speed
I might as well be playin' with matches
In a truckload of gasoline
If it's the last thing I do
If it takes me from Tupelo to Timbuktu
If it's the last thing I do
I'm gonna dodge every roadblock, speed trap and county cop
To get my hands on you
If it's the last thing I do
If it's the last thing I do
If it's the last thing I do

I'm gonna dodge every roadblock, speed trap and county cop
To get my hands on you
Dodge every roadblock, speed trap and county cop
To get my hands on you
I'm gonna dodge every roadblock, speed trap and county cop
To get my hands on you
