Alive In Me

JJ Weeks Band

I may be hard pressed on every side
But I won't be crushed, I'll be alright
I may be doubting the place I'm in
But I know the ending
I know who wins
I may be down, but I'm not out
You're not finished yetThe very same light that pierced the dark
The very same word that stilled the sea
The very same Spirit that tore the veil
Is alive in me
You're alive in me
The truth may be that it looks too hard
But the greater truth is who You are
The One who heals, Who redeems and saves
Who can turn it around, Who can still make a wayThe very same light that pierced the dark
The very same word that stilled the sea
The very same spirit that tore the veil
Is alive in me
You're alive in me
The very same power that healed our hearts
The very same love that sets us free
The very same Spirit that conquered death
Is alive in me
You're alive in meIt's already won, so whatever comes
I know where I place my hope and trust
I can overcome, 'cause of what's been done
'Cause of what You finished on the cross
The very same light that pierced the dark
The very same word that stilled the sea
The very same Spirit that tore the veil
Is alive in me
You're alive in me
The very same power that healed our hearts
The very same love that sets us free
The very same Spirit that conquered death
Is alive in me
You're alive in me
You're alive in me
