

Free Me (feat. Charlotte Haining)

Xilent

Your touch
Took away my darkest fears and doubts
Your voice
Whispers in my ear and shouts out loud
Free me
From the shadows in your head
Please see
That you were always meant for me
Free meFree meYour touch
Took away my darkest fears and doubts
Your voice
Whispers in my ear and shouts out loudFree me
From the shadows in your head
Please see
That you were always meant for me
