Safe With Me

Sam Smith

My heart will beat, my heart will beat, my heart will beat,If you ever need me just tell me
And I'll be there
'cause I was build for you
Yes I was build to carry all your feelings
'cause I won't let them know
I won't let you go, baby
I don't care what your past is,
I don't need no answers
Just have faith in meDon't you know you're a secret's safe with me?
My heart will beat, my heart will beat, my heart will beat
All your worries can be through
If you, if you come and see
Don't you know you're a secret's safe with me?
My heart will beat, my heart will beat, my heart will beat
All your worries can be through
If you, if you come and seeNo need to step back,
Don't be scared
I got you you know that
I'm here and your out side
When all your clouds turn back'cause I won't let them know, baby
'cause I won't let you go, baby
I don't care what your past is,
I don't need no answers
Just have faith in meDon't you know you're a secret's safe with me?
My heart will beat, my heart will beat, my heart will beat
All your worries can be through
If you, if you come and see
Don't you know you're a secret's safe with me?
My heart will beat, my heart will beat, my heart will beat
All your worries can be through
If you, if you come to see
My heart will beat, my heart will beat
