Lost Not Found

Dirty Vegas

There isn't any movement
There isn't any sound
So how can we go forward?
We are lost not found
We are lost not found
So where is all the passion?
It seems so far away
Superficial circus is leading us astray
Don't you let me down
Don't you let me down
Me down
Me down
Me down
Me down
Don't you let me down
Don't you let me down
Don't you let me down
Don't you let me down
Me down
Me down
Me down
Me down
Me down
