# Dreams & Illusions

## Collide

Now, what should we talk about?
I reach and I reach for you
It's so surreal and I'm not sure
I breathe each breath for you
Now I'm afraid, what can I do?
Close my eyes and it will go away
Close my eyes and it will go
I see, yet I'm blind
I'm not alone, what can I say?
I feel, yet I'm numb
I'm so immune I bleed for you
Close my eyes and it will go away
Look inside, what do you see?
Define your own reality
Close my eyes and it will go
Illusion, so confusing
Dreaming no conclusion
Soothe your
Soothe your aching mind
Illusion, so confusing
Dreaming no conclusion
Soothe your
Soothe your aching mind
Illusion, so confusing
(I reach and I reach down under)
Dreaming no conclusion
(In the dream it pulls me under)
Soothe your
Soothe your aching mind
(I reach for you)
Illusion, so confusing
(I reach and I reach down under)
Dreaming no conclusion
(In the dream it pulls me under)
Soothe your
Soothe your aching mind
(I reach for you)
Illusion, so confusing
(I reach and I reach down under)

Dreaming no conclusion
(In the dream it pulls me under)
Soothe your
Soothe your aching mind
(I reach for you)
Illusion, so confusing
(I reach and I reach down under)
Dreaming no conclusion
(In the dream it pulls me under)
Soothe your
Soothe your aching mind again
(I reach for you)
Illusion, so confusing
(I reach and I reach down under)
Dreaming no conclusion
(In the dream it pulls me under)
Soothe your
Soothe your aching mind
(I reach for you)
Illusion, so confusing
(I reach and I reach down under)
Dreaming no conclusion
(In the dream it pulls me under)
Soothe your
Soothe your aching mind
(I reach for you)
Illusion, so confusing
(I reach and I reach down under)
Dreaming no conclusion
(In the dream it pulls me under)
Soothe your
Sooth you aching mind
(I reach for you)
Illusion, so confusing
Dreaming no conclusion
Sooth your
