I believe in the power
I believe in soul
I believe in the power
Of rock 'n roll
I believe in the magic
I believe in you
I believe in us
I believe our truthCan you feel inside?
Can you feel inside?
But I feel inside [I'm falling]
Can you feel inside? [I'm falling]
In love with youI believe in the power
I believe in soul
The power
That makes me whole
I believe in moment
I believe we choose
I believe in love
I believe it's youCan you feel inside?
Can you feel inside? [I'm falling]
In love with youWorld keeps spinning around
Keeps spinning around [This is what you wanted]
World keeps spinning around
Keeps spinning around [(Crush) it if you want it]Can you feel inside?
Can you feel inside? [I'm falling]
