

Mood 4 Luv

Reggie and the Full Effect

I am in a mood for you Hey, what's happening
Is rap a thing or maybe not
Well, I don't really know you
I thought I'd introduce and I'd abuse
The fact that I am rhyming Well, you're my fatal attraction
I saw you and my heart had a chain reaction
And when I smell your perfume
It spells out D O O M, doom
And doom backwards is mood Now, I'm in the mood for you, girl
(He's in the mood for you, girl)
In the mood for you, girl
(He's in the mood for you, girl)
Hope that you will know it's true
'Cause I am in the mood for you
(He's in the mood for you) Now, I'm in the mood for you, girl
(He's in the mood for you, girl)
In the mood for you, girl
(He's in the mood for you, girl)
In the mood for you, girl
(He's in the mood for you, girl)
Yeah, I am in the mood for you
(He's in the mood for you) So what's going on, I'd like to run
But I don't have my running shoes with me
(Running shoes)
Yes, you're still the best of all the rest
We'll grab the chest 'cause it's not that heavy I released twelve doves
'Cause when you're here I'm totally in love
And it makes my body numb
I know that makes me sound dumb
But dumb backwards is almost mood Now, I'm in the mood for you, girl
(He's in the mood for you, girl)
In the mood for you, girl
(He's in the mood for you, girl)
Hope that you will know it's true
'Cause I am in the mood for you
(He's in the mood for you) Now, I'm in the mood for you, girl
(He's in the mood for you, girl)
In the mood for you, girl
(He's in the mood for you, girl)

In the mood for you, girl
(He's in the mood for you, girl)
Yeah, I am in the mood for you
(He's in the mood for you) You know, there comes a time in every boy's life
When he has to make a decision
A decision involving women or girls
And you know what my decision is girl
'Cause you know I love you Song's not over yet I know what you're thinkin' when you're drinkin'
And I think the same thing that you do, sort of
We can have a fight and talk all night
About what we drank earlier
Or what we thought we were thinking You're my fatal attraction
I saw you and my heart had a chain reaction
When I smell your perfume
It spells out D O O M, doom
And doom backwards is mood Now, I'm in the mood for you, girl, oh yeah
(He's in the mood for you, girl)
In the mood for you, girl, aha
(He's in the mood for you, girl)
Hope that you will know it's true
'Cause I am in the mood for you
(He's in the mood for you) Now, I'm in the mood for you, girl, come on
(He's in the mood for you, girl)
In the mood for you, girl, come on
(He's in the mood for you, girl)
In the mood for you, girl, girl
(He's in the mood for you, girl)
I am in the mood for you, girl
(He's in the mood for you) You know this is the time of day
When I like to lay down and go to bed
Because it's night time
And I'd love for you to lay down with me
'Cause I think you're fantastic
