

# Double Rainbow

Stan Getz e João Gilberto

You're a one of a one, a one of a kind  
That you only find once in a lifetime  
Made to fit like a fingerprint  
A code that clicks open a gold mine  
They say one man's trash is another man's treasure  
When I found you it was all pitter-patter  
Secretly, I hit the lottery  
'Cause you're brighter than all of the Northern Lights  
You speak to me, even in my dreams  
Wouldn't let you go for even the highest price  
They say one man's trash is another girl's treasure  
So if it's up to me I'm gonna keep you forever  
'Cause I understand you, we see eye to eye  
Like a double rainbow in the sky  
And wherever you go, so will I  
'Cause a double rainbow is hard to find  
Was a phenomenon when you came along  
Yeah, our chemistry was more than science  
It was deafening, a lot like lightning, it was striking  
You couldn't deny it  
They say one man's trash is another man's treasure  
The two of us together make everything glitter  
'Cause I understand you, we see eye to eye  
Like a double rainbow in the sky  
And wherever you go, so will I  
'Cause a double rainbow is hard to find  
To the bottom of the sea, I'd go to find you  
Climb the highest peak to be right beside you  
Every step I take, I'm keeping you in mine  
'Cause I understand you, we see eye to eye  
Like a double rainbow in the sky  
And wherever you go, so will I  
'Cause a double rainbow is hard to find (Outro)  
It's hard to find  
It's hard to find  
Once in a lifetime  
Once in a lifetime  
Once in a lifetime
