

Love (DJ Andi Remix)

Inna

Come back and set me free

Now from infinity

Love is a mystery

Distance is killing me

Come back I need you now

You are the love I found

I feel above the ground

You take me round and round

Am I dreaming? What I feel tonight about you and I. Am I dreaming? I can feel your love when I hold you tight. I

just wanna love you

And you're the one

I need you.

And I just wanna give all my love I have.

With my lips I'm feeling

And then I say I mean it

Cause you're the only one that I feel tonight.

Come back and set me free

Now from infinity

Love is a mystery

Distance is killing me

Come back I need you now

You are the love I found

I feel above the ground

You take me round and round

You take me round and round

You take me round and round

Come back and set me free

Now from infinity

Love is a mystery

Distance is killing me

Come back I need you now

You are the love I found

I feel above the ground

You take me round and round

Come back and set me free

Now from infinity

Love is a mystery

Distance is killing me

Come back I need you now

You are the love I found
I feel above the ground
You take me round and round
