Let's Groove

Earth, Wind & Fire

Let's groove tonight
Share the spice of life
Baby slice it right
We're gonna groove tonightLet this groove, get you to move
It's alright, alright
Let this groove, light up your fuse
So stand up, alright, alrightGonna tell you what you can do
With my love, alright
Let you know girl, you're lookin' good
You're out of sight,you're alrightJust move yourself
And glide like a 747
And you lose yourself in the sky
Among the clouds in the HeavenLet this groove, Get you to move
It's alright, alright, alright
Let this groove, light up your fuse
So Stand up, alright, alrightLet me tell you what you can do
With my love, alright
Gotta let you know girl you're lookin' good
You're out of sight, you're alrightJust tell the D.J.
To play your favorite tune
And you know it's okay
What you found is a happiness, nowLet this groove, get you to move
It's alright, alright, alright
Let this groove, light up your fuse
So Stand up, alright, alrightLet this groove, get you to move
It's alright, alright,alright
Let this groove, light up your fuse
So Stand up, alright, alrightYou will find peace of mind on the floor
in time, come and see, you and me
Make a little sign, I'll be there in a while
If you want my loveWe can boogie on down, down
Boogie on down, down
Boogie on down
We got the floor nowLet's groove tonight
Share the spice of life
Baby slice it right
