Voi parlate, io gioco

jj

Voi Parlate... Io Giocco...I don't know about you
But I need something new
I don't care what the people say
I'm gonna get it any way, any dayI will kill for you
I will serve time for you
If that's what it takes, then
That's what I'll doForever true, like we used to
Confuse you with the dude who
Wanna do us, you walk to us
Like you knew us, knew us, yeahYou know
All the lies and the things we say
And all the things we kill
No matter where we go
No matter what we do
Show me love, say my name
When the music stops...Then the music dropsForever true, like we used to
Confuse you with the dude who
Wanna do us, you walk to us
Like you knew us, knew us, yeahI'll try in my way to be free
I'll walk down the road which leads
To nothing but myself and I
Do you know what I should try?What do they know about us?
They only talk about us
What do they know?
