

# Rather Unique

[Az](#)

Rock the house  
East New York, East New York  
East New York, East New York  
East New York, East New York  
East New York, East New York  
To my nigga AZ to the fullest  
We was already loyal to people's minds and mulianis  
Now we more fucked up with a mayor named Guliani  
You can try to bomb me analyze but can't define me  
My mind's divine heavily entwined with Ghandi's  
Far from feeble, I leave your nostrils hard to breathe through  
'Cause my cerebrals are more of a higher plane than the Hebrews  
Well my mic devotion brings out my deepest emotions  
Overdosing wannabes posing sending them through convulsions  
To hard to follow, you took a bite but couldn't swallow  
Your mind's boggled but I'm as deep as Donald Goines novels  
My whole persona's kinda laid back like a recliner  
And since my mama, I been fucking with marijuana  
Wavy-haired, my skin got a money getting glare  
Strictly menace wear, making off a Guinness beer  
So where it all begins is here destiny and me finally meet  
So how can I be weak? I'm rather unique  
Why I'm rather unique  
Why I'm rather unique  
Why I'm rather unique  
Why I'm rather unique  
Why I'm rather unique  
Why I'm rather unique  
Why I'm rather unique  
Why I'm rather unique  
My verbals rip shit brains give birth to thoughts in triplets  
Fuck it I'm on some flip shit ready to let my clip spit, dramatical  
Vocals release shells like automatics  
Do music's magical causing any battle to be tragical  
I got styles sick as hell, sicker than sickle cell anemia  
Slaughter your circulatory like leukemia  
Filled with larceny, who want parts of me?  
I'm vicious, mad malicious 'cause it's real on this road to riches  
I got this mastered, other rappers'll craft it

Why I'm rather unique  
Why I'm rather unique
