

The Animal Song (Hex Hector Club mix)

Savage Garden

When superstars and cannonballs are running through your head
And television freak show cops and robbers everywhere
Subway makes me nervous, people pushing me too far
I've got to break away so take my hand now 'Cause I want to live like animals
Careless and free like animals
I want to live, I want to run through the jungle
With the wind in my hair and the sand at my feet I've been having difficulties keeping to myself
Feelings and emotions better left up on the shelf
Animals and children tell the truth, they never lie
Which one is more human there's a thought, now you decide Compassion in the jungle
Compassion in your hands, yeah
Would you like to make a run for it?
Would you like to take my hand, yeah, yeah? 'Cause I want to live like animals
Careless and free like animals
I want to live, I want to run through the jungle
With the wind in my hair and the sand at my feet Sometimes this life can get you down
It's so confusing, there's so many rules to follow
And I feel it 'cause I just run away in my mind Superstars and cannonballs are running through your head
Television freak show cops and robbers everywhere
Animals and children tell the truth, they never lie
Which one is more human there's a thought, now you decide Compassion in the jungle
Compassion in your hands, yeah
Would you like to make a run for it?
Would you like to take my hand, yeah, yeah 'Cause I want to live like animals
Careless and free like animals
I want to live, I want to run through the jungle
With the wind in my hair and the sand at my feet I want to live like animals
Careless and free like animals
I want to live, I want to run through the jungle
With the wind in my hair I want to live, I want to live
I want to live like animals
I want to live like animals Like animals
Like animals
Like animals
