The Next Time I Fall

Peter Cetera & Amy Grant

Love like a road that never ends
How it leads me back again to heartache
I'll never understand
Darling, I put my heart up on a shelf
Till the moment was right and I told myself
Next time I fall in love
I'll know better what to do
Next time I fall in love
Ooo ooo ooo ooo ooo ooo
The next time I fall in love
The next time I fall in love
It will be with you
Now as I look into your eyes
Well, I wonder if its wise to hold you
Like I've wanted to before
Tonight, ooo, I was thinking that you might be
The one who breathes life in this heart of mine

Next time I fall in love
I'll know better what to do
Next time I fall in love
Ooo ooo ooo
The next time I fall in love
The next time I fall in love
(It will be with you)
Next time I'm gonna follow through
And if it drives me crazy
I will know better why
The next time I try
Next time I fall in love
I'll know better what to do
Next time I fall in love
Ooo ooo ooo
The next time I fall in love
The next time I fall in love
The next time I fall in love
