One More Chance With You

Little Walter

All I want, is one chance with you
All I want, is one chance with you
I been watchin' you all my live,
you know I want you to be my wife
All I want, is one chance with you
All I want, is one chance with you
All I want, is one chance with you
I been around so many years,
also shed so many tears
All I want, is one chance with you
All I want, is one chance with you
All I want, is one chance with you
I ain't no fool 'cause I'm hangin' around,
I wanna be your man whilst I'm in this town
All I want, is one chance with you
All I want, is one chance with you
All I want, is one chance with you
