

New York City

John Lennon

People say we got it made
Don't they know we're so afraid
Isolation
We're afraid to be alone
Everybody got to have a home
Isolation Just a boy and a little girl
Trying to change the whole wide world
Isolation
The world is just a little town
Everybody trying to put us down
Isolation I don't expect you, to understand
After you caused so much pain
But then again, you're not to blame
You're just a human, a victim of the insane We're afraid of everyone
Afraid of the sun
Isolation
The sun will never disappear
But the world may not have many years
Isolation
