Wow and Flutter

Stereolab

I didn't question I didn't know
As far as I'd seen life was endless
When I realized I had to let go
We are mere mortals as to the restIt's not eternal, imperishable
While on the move
It's not eternal, interminable
Progress is the clueI though IBM was born with the world
The US flag would float forever
The cold opponent did pack away
The capital will have to followIt's not eternal, imperishable
Oh yes it will go
It's not eternal, imperishable
The dinosaur lawIt's not eternal, imperishable
Oh yes it will go
It's not eternal, imperishable
The dinosaur lawLook at the symbols, they are alive
They move evolve and then they die
