## Arcade Fire

Sleeping is giving in  
No matter what the time is  
Sleeping is giving in  
So lift those heavy eyelids People say that you'll die  
Faster than without water  
But we know it's just a lie  
Scare your son, scare your daughter People say that your dreams  
Are the only things that save you  
Come on baby, in our dreams  
We can live our misbehavior Every time you close your eyes  
Lies, lies! People try and hide the night  
Underneath the covers  
People try and hide the light  
Underneath the covers Come on, hide your lovers  
Underneath the covers  
Come on, hide your lovers  
Underneath the covers Hiding from your brothers  
Underneath the covers  
Come on, hide your lovers  
Underneath the covers People say that you'll die  
Faster than without water  
But we know it's just a lie  
Scare your son, scare your daughter Scare your son, scare your daughter Now here's the sun, it's alright! (Lies!)  
Now here's the moon, it's alright! (Lies!)  
Now here's the sun, it's alright! (Lies!)  
Now here's the moon, it's alright (Lies!) But every time you close your eyes (Lies!)
