It's Not Enough

Starship

If you want my love tell me 'bout tomorrow
'Cause I can't wait one more dayCold in the night, waiting for a promise
So all alone I'm hanging onWoman, don't play this game
You'll never get my lovin' this wayAll this time you've been livin' for the moment
It works for some but not for me, no(Love)
It's not enough to tell me you love me
It's not enough to tell me that you care
(Yeah)It's not enough, to tell me you want me
Darlin', you know deep inside
If you want my love then girl, you must show me
(Not enough)
Oh, show me, girlWe can make it last if we hold on till tomorrow
Or will we throw it awayEmpty words, you say you want to please me
But half a heart won't make it right(Love)
It's not enough to tell me you love me
It's not enough to tell me that you cried
(Yeah)It's not enough to tell me you're sorry
Darlin', you know deep inside
And if you want my love then girl, you must show me
(Not enough)Empty words, you say you want to please me
But half a heart won't make it right, no(Love)
It's not enough to tell me you love me
It's not enough to tell me that you care
(Yeah)It's not enough to tell me you want me
Darlin', you knowNot enough to tell me you need me
It's not enough to tell me you cried
(Yeah)It's not enough to tell me you're sorry
Darlin', you know deep inside
It's just not enough
(Not enough)Ooh, if you really wanna know, girl
(Not enough)
Yeah, what it takes if you want my love
(Not enough)If you really wanna know my love
(Not enough)
No no
(Not enough)
No girl
(Not enough)
