## Thrust!

## White Zombie

Thrust in deep there are no limitations
Wing shaped constellations everywhere now
Creep, babe, creep your life's a suicide and I said "I'm gonna ride it"
She don't care nowYeah! Maybe
The night ride gonna bleed

Yeah! Maybe

This is what ch'all need!Sink'n deep into your
Destination dig the demolition everywhere, now
Creep babe, creep into your ring 'o' fire, burned out on the wire
She don't care, nowYeah! Maybe
The night ride gonna bleed

Yeah! Maybe

This is what ch'all need!Open the darkness an hour later to the minute moment move
Under the guilty she went deep into the corner
Snap dog city hypnotize and break the mercury

Rig test, oil inject

Freak hallucination

Shot through the back door buzz a whirling locomotion

West straight to another

Through the sea of loveLife on the line, still in time, you will find

She has gone away

Don't ask why, super sky, live or die

She has gone away

Figure this, no more sis, Spanish kiss

She has gone awayThrust into a diamond generation

Deceleration everywhere

Up from hell a missile to the moon and zero

To the 3 and 4 and 5 and Yeah! Maybe

The night ride gonna bleed

Yeah! Maybe

This is what y'all need!How fast can you really move me come

On, come on, come on, yeah

A ritual electro-nation
