

# Fiona

Lyle Lovett

Way down yonder on the bayou  
There lives a little girl-o  
Her skin so pale, six feet high  
Skinny as a rail and just one eye And she's the one-eyed Fiona  
She's the one-eyed Fiona  
She's the one-eyed Fiona  
She's the one-eyed Fiona Her daddy, gone to Heaven  
Her mama won't like you  
Her brother, he's crazy  
He just might bite you  
Her sister, she's pretty  
But she just won't do She's the one-eyed Fiona  
She's the one-eyed Fiona  
And she's the one-eyed Fiona  
She's the one-eyed Fiona And oh, you can say she gonna love you  
Because you made a little voodoo  
Oh, but what they didn't tell you  
It ain't up to you, dude, yeah Oh, you better not cross her  
You try to boss her  
Then you better duck mister  
Here come a cup and a saucer And she's the one-eyed Fiona  
She's the one-eyed Fiona  
And she's the one-eyed Fiona  
She's the one-eyed Fiona So if you're going to the bayou  
Man, I'll tell you all I know  
She's got skin so pale, she's six feet high  
And she'll look right through you with just one eye And she's the one-eyed Fiona  
She's the one-eyed Fiona  
And she's the one-eyed Fiona  
And she's the one-eyed Fiona And she's the one-eyed Fiona  
She's the one-eyed Fiona  
And she's the one-eyed Fiona  
She's the one-eyed Fiona Yeah, yeah  
Yeah, yeah  
Yeah, yeah  
Yeah, yeah And she's the one-eyed Fiona  
She's the one-eyed Fiona  
She's the one-eyed Fiona  
She's the one-eyed Fiona, yeah
