

Treddin' On Thin Ice

Wiley

Yo, eskiboy (oi yeah oi)
(its roll-deep-crew)

Yo
I can feel em gettin' closer to me
I heard they are searching for me high n low they want to know me, now OK
I can feel me getting closer to them,
I've got that strap on the back of my mind n I'm prepared to take them down(down) ye
I can see her, she's tryin' to get revenge
I treated her badly, now she's on her way to being angry
I can see it, I'm gonna be that boy from E.3,
Living through the t.v, the soldiers they are behind me waiting
I'm on the way to the top and I'm gonna take ma area straight to the top with me
There's more artists where I came from they'll be treddin' after me
Watch this space I'm settin' the pace like dizzee
I represent the underground, that's where I get busy
My names Wiley, call me eskiboy, can't tes me boy I'm blessed rudeboy
Rip that 's' off your chest rude boy, I'll make you go home sit down and practice boy
You can't match dis flow, I'm treddin' on thin ice with this flow
Roll deeps behind me bro (yeah!)

It's that to time to get going

[Chorus: x2]

Now I'm treddin' on thin ice
I'm at the end of my tether got to keep myself together
I'm treddin' on thin ice
It's like I don't learn cause I've made the same mistake more than twice

I'm pissed cause, for the last year and a half I've been wasting time
Creating hatred(time), I'm still learning the basics(time)
But I'm a boy this time, I've got it locked this game is mine
Girls come girls go, oh well that's life
I'm a cheat from the street, oh well that's life
No you can't take my wife I'm single, I can take your life
It's grind time, where's the grim, treddin' on thin ice
Come here, let's not get up in relationships(long ting)
Commitment, that's a long ting
Its better if we are linking, no strings attached
Lets tread on thin ice

Girl gets attracted to boy in less than five minutes
Watchin' a DVD in the teak spot in ten minutes
Then I'm guessin' that its time to, hit the back seat
Pull your thong to the side, so that he can meet her
The phone is ringing it's her man, he is trying to find her
But, she is with me, she gives me the ultimate sex

[Chorus: x2]
