You

Rita Coolidge

I can't remember when I've felt this high
Must be something special about
The way you're loving me tonightYou know that I can't remember when I've felt this right
Loving you the way I do
Has made me feel like a shooting star
Shining bright and shining far
And I wonder how I ever got aloneWithout you
There's something very special about you
You're all I ever think about, it's true
Baby, it's you
I'm talkin' about youI was sitting back and watching my life go by
Until you came along and picked me upOh, and now I'm starting out a brand new life
And everything I say and do is all because of you, boy
You've given me a new joy
I wonder how I ever got aloneWithout you
There's something very special about you
You're all I ever think about, it's true
Baby, it's you
I'm talkin' about youOh, but now I'll never have to sit around and cry no more
Baby, ever since you walked in through my doorAnd now I know as long as I have you, I'll always know
That everything that's good and new is all because of you, boy
You've given me a new joy
And I wonder how I ever got aloneWithout you
There's something very special about you
You're all I ever think about, it's true
Baby, it's you
I'm talkin' about youAbout you
There's something very special about you
You're all I ever think about, it's true
Baby, it's you
I'm talkin' about youAbout you
There's something very special about you
You're all I ever think about, it's true
Baby, it's you
