

Revelations

Audioslave

You know what to do, you know what I did
Since you know everything, just clue me in
I am such a wreck, I am such a mess
I know what I know, why don't you fill in the rest?
I will bring it down, I will make it bad
While you're feelin' proud, why don't you help me? Such a shame that I wouldn't know by now
Your revelations
Cut me in, I don't want to live without
Your revelations, revelations You know what to say, you know what I said
You know what I dream sleeping in my bed
You hold all the keys, you know all the roads
Why don't you guide me in if I'm such a lost soul?
I'm spinnin' around, I will make you ill
Since I'm so broken down, why don't you fix me? Such a shame that I wouldn't know by now
Your revelations
Cut me in, I don't want to live without
Your revelations I am haunted when I am sleepin'
Try to give without receivin'
It's in the apple bite, it's in the days and nights
In the afterlife we'll reap Such a shame that I wouldn't know by now
Your revelations
Cut me in, I don't want to live without
Your revelations Such a shame, such a shame
That I wouldn't know by now
Cut me in, I don't want to live without
Your revelations, revelations
